Session 8

Practical session

Matt Denwood
2022-06-10

Practical session

NOTE: THIS MATERIAL IS NOT YET FINALISED, PLEASE CHECK BACK SOON!

This is the final session of the course!

We have three options to choose from:

1. Finish up working on practical exercises from previous sessions

2. Work on your own data and ask us for help/advice

3. Look at how to implement custom distributions/functions via a JAGS module

JAGS modules

TODO

Before you go. . .

- Feedback on the course would be extremely welcome!
    - https://www.survey-xact.dk/LinkCollector?key=RKMUENCXS11N
    - I will send a reminder email later today with (the same) survey link
